♥ Opening to Love through your Akashic Records ♥

... rejoice that your names are recorded in heaven. (Luke 10:20)

What if you could access the energies of your past – including *the distant past of cellular memories and previous lives*? Imagine how accessing this energy could change your life: you could resolve recurring patterns and issues such as Love of Self and Love of Others; heal long-standing challenges with relationships; and empower future growth! You can access these healing energies through your Akashic Records. The mysterious Akashic Records are an energy field that contains a vibrational record of every soul and its journey. These Records are *non-physical* often described as a library, a "universal supercomputer" and even the "Mind of God." In this dynamic, flowing energy field of the universe, every thought, judgment, feeling, and action that occurs in all your lives are energetically recorded . . . and those energetic records are available

to guide you through your present challenges. Through your Akashic Records, the experiences of your past lives can help you gain new perspectives, achieve healing in your present consciousness, and connect with your eternal Divine Self. Bill's unique gift for clearly accessing the healing capacity available from your Akashic Records and his compassion and clarity are a positive force for anyone who seeks healing.

The presentations Bill offers are first and foremost about the Akashic Records and how working with the Akashic Records opens yourself to your True Loving Self. Ultimately, it is all about love, joy, compassion, passion, appreciation, kindness, grace, generosity, and gratitude. We, as humans, are driven mostly by our subconscious patterns, about 95% of our energy goes to our subconscious beliefs, patterns, feelings, emotions, thoughts, judgments, and opinions. Only about 5% of our energy goes to conscious creativity.

Please join Bill for a powerful afternoon as he explores the healing and clearing power of the Akashic Records.

**** Bill will offer mini-healing sessions for those in attendance and close with a group clearing.**

**** Bill has one opening for a private session Saturday 11am 60 minutes \$150**

Bill Sanda has been a spiritual seeker all his life and has studied with some of the most respected spiritual masters of our time. His gift for bringing the healing energies of the Akashic Records to others was revealed to him years ago, and now he offers this service to people as his gift back to the world. Bill says, "I am blessed to discover my passion and path in life. I am guided to work with others using this little-known, and powerful process for healing. An Akashic Clearing can heal on many levels: emotional, physical, mental, and spiritual. I am honored to be granted the ability to share this healing energy with others."

RECOMMENDATIONS

"Bill is exceptionally gifted...It seemed that everyone erased years...looking so much younger and so much more relaxed and at peace than before the session. The shift happening for each person was actually physically visible. His intuition and his channeling are finely tuned and extremely accurate. The energy in the room was both intense and peacefully supportive of each of us. I feel blessed to have shared this phenomenal experience with Bill. The personal healing I received was deep and pure. The effects are long-term and have impacted my life on many levels in many arenas. Bill offers an important service and is skilled in handling extremely personal situations in a group setting with great discretion." Cindy W.

Unveiling *The Living Prayer Labyrinth*

Sunday May 1st 10 am

YES!! Even Geometric form evolves! Our **Grace Walk** has evolved into *The Grace Walk ...a Living Prayer Labyrinth!!* In 2012 Antonia was given the vision for the 'next evolution' of the creation field with the understanding it would be in the future. Late in 2020 she received the message 'It's Time' & the 2nd section of the center walkway has been set in motion creating the Golden Cross geometry. **Come find out why it is being called *The Living Prayer Labyrinth!***

Inspired by the family of 7 geometries called the ***Geometric Technologies of Love ...the Unified Field System of LOVE for the next octave of human***, this modern-day hilltop labyrinth has been a 18 year project of love. It covers approximately an acre of ground with stunning 360 degree views of both the Blue Ridge Mountains, the Alleghenies & nearly 8 counties. Beautiful original sculptures throughout the interior draw visitors to stop, look, sense, sit, meditate, quietly commune.

The center design is interwoven golden ratio infinities. This is not only a beautiful labyrinth in a gorgeous setting, but also a powerhouse of amazing energy. The two outer rings have crimson & saffron flags that fly 12 feet high on days of ceremony. Individuals & groups have felt drawn to visit the farm to walk the creative one-of-a-kind design.

Antonia Albano - has facilitated workshops & seminars in expanding human consciousness since 1991. She is the founder of the World Love Project, Virginia's annual Celebration of Love, the Healing Resonance Council™ & the creator of The Grace Walk labyrinth. From 2004 to present she has brought forth new living systems called the Geometric Technologies of Love...The Unified Field System of LOVE for the next octave of human. Antonia resides in the Shenandoah Valley of Virginia.
